

BOW TOP GATES

Blue RAL 5010 Double Leaf Swing Gate – Manual

Bow Top swing gates seamlessly complement our Bow Top fencing, featuring the same durable, welded pale-through-rail construction. Made from tubular steel, they are inherently strong yet lightweight. Designed for security and aesthetic appeal, they offer strength, reliability, and an attractive finish, making them an ideal choice for residential and commercial properties.

Features

- Available in a range of standard widths up to 5m and heights to 1.8m for pedestrian and vehicular access. If you have special requirements please ask.
- Pales 19mm CHS
- Horizontal rails for all gates are 50 x 25mm
- Single or double leaf options available
- Single self closing option available
- Manual or automated operation
- Complete with tamper-proof hinges that allow the gate to swing through an angle of 180 degrees (manual only)
- Square hollow section gate posts made in two sizes; 80mm and 100mm depending on the gate height and width

POST OPTIONS

- Over length set in concrete as standard
- Base plated to bolt down onto concrete
