

ORNAMENTAL SWING GATES

Black Single and Double Leaf Swing Gates – Standard – Manual

Black Single and Double Leaf Swing Gates – Style A – Manual

Ornamental swing gates complement our ornamental fencing, offering a modern tubular steel alternative to wrought iron railings in three unique styles. With welded pale-through-rail construction and a range of decorative finials, they combine classic design with advanced engineering for lasting security and elegance.

Features

- Available in a range of standard widths up to 10m and heights to 3m for pedestrian and vehicular access
- Pales 19mm CHS
- Horizontal rails for all gates are 60 x 40mm
- Single or double leaf options available
- Manual or automated operation
- Complete with tamper-proof hinges that allow the gate to swing through an angle of 180 degrees (manual only)
- Square hollow section gate posts made in three sizes; 100mm, 120mm and 150mm depending on the gate height and width
- Styles available: Standard, Style A, Style B

POST OPTIONS

- Over length set in concrete as standard
- Base plated to bolt down onto concrete

FINISHES

- Hot dip galvanised to BS EN ISO 1461 as standard
- Hot dip galvanised and powder coated to BS EN 13438
