

Slotted Jakposts®

Jacksons Fencing

Our slotted Jakposts® are designed to work with the majority of our fence panels. Available in standard and heavy duty variations. Panels simply slot into posts and are then secured to stop rattling, increase security and integrity.

- All timber used throughout is superior quality Jakcure® treated softwood guaranteed for 25 years
- Planed timber
- All fixings are stainless steel
- Easy and lighter to manoeuvre than concrete counterparts

Types of Jakposts®

From left to right

Corner, Intermediate, Intermediate with end post strip (end post), Angled

End Post Strip

We do not manufacture standard slotted end posts. On end posts, use an intermediate post with an end post strip

Specification

Standard Slotted Jakposts

Posts are 95mm x 95mm with two 54mm x 25mm slots for the panels
Heights available from 1.06m - 2.70m

Heavy Duty Jakposts

Posts are 120mm x 124mm with two 54mm x 25mm slots for panels
Heights available from 2.70m - 3.90m
